California State University, Northridge
| BA | Economics | Minor in Finance |
- Graduated in top ten of class
- Dean's list
- Portfolio Management Team leader
  - ($1.05 million portfolio)
- C++ course

Hobbies

Outside of coding, I like to get out doors, go running, take walks and hikes. I also like playing games online with friends. I like going to tech meetups to keep up with the latest trends and for search of inspiration.
